

How to use Beachionary.com

1. Type in Beachionary.com in the address bar.
2. Click on the tab that has 'Find a Beach'
3. Below 'Find your beach!' Select your country, region, and the name of the beach.
4. Upon finding the beach that you were looking for you can look at pictures and reviews submitted by users.
5. By the right hand side of the website there will be a list of the nearest hotels, beaches, and venues and their ratings.
